Dear Brothers and Sisters:

Humanitarian Aid for Natural Disasters

We have been saddened by the recent earthquake and tsunami which brought significant death and destruction to the people of Japan. As with every major natural disaster in the world, the Church's humanitarian organization has been undertaking significant efforts to assist earthquake victims in their immediate needs and recovery. These efforts are made possible by the generous contributions of members of the Church worldwide.

Many members in Asia have asked how they can help. For those wishing to assist, we recommend a contribution to the humanitarian fund of the Church. Such a contribution can be made by using the *Tithing and Other Offerings* form and marking the "humanitarian aid" category.

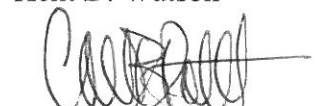

We join with you in praying for our brothers and sisters in Japan and those in other parts of the world who face such disasters.

Sincerely,

Asia Area Presidency
